6 Section 25. The Illinois Insurance Code is amended by
7 adding Section 356f.1 as follows:

8 (215 ILCS 5/356f.1 new)

9 Sec. 356f.1. Health care services appeals, complaints, and
10 external independent reviews.

11 (a) A policy of accident or health insurance or managed
12 care plan shall establish and maintain an appeals procedure as
13 outlined in this Section. Compliance with this Section's
14 appeals procedures shall satisfy a policy or plan's obligation
15 to provide appeal procedures under any other State law or
16 rules.

17 (b) When an appeal concerns a decision or action by a
18 policy of accident or health insurance or managed care plan,
19 its employees, or its subcontractors that relates to (i) health
20 care services, including, but not limited to, procedures or
21 treatments for an enrollee with an ongoing course of treatment
22 ordered by a health care provider, the denial of which could
23 significantly increase the risk to an enrollee's health, or
24 (ii) a treatment referral, service, procedure, or other health

1 care service, the denial of which could significantly increase
2 the risk to an enrollee's health, the policy or plan must allow
3 for the filing of an appeal either orally or in writing. Upon
4 submission of the appeal, a policy or plan must notify the
5 party filing the appeal, as soon as possible, but in no event
6 more than 24 hours after the submission of the appeal, of all
7 information that the plan requires to evaluate the appeal. The
8 policy or plan shall render a decision on the appeal within 24
9 hours after receipt of the required information. The policy or
10 plan shall notify the party filing the appeal and the enrollee,
11 enrollee's primary care physician, and any health care provider
12 who recommended the health care service involved in the appeal
13 of its decision orally followed-up by a written notice of the
14 determination.

15 (c) For all appeals related to health care services
16 including, but not limited to, procedures or treatments for an
17 enrollee and not covered by subsection (b) above, the policy or
18 plan shall establish a procedure for the filing of such
19 appeals. Upon submission of an appeal under this subsection, a
20 policy or plan must notify the party filing an appeal, within 3
21 business days, of all information that the policy or plan
22 requires to evaluate the appeal. The policy or plan shall
23 render a decision on the appeal within 15 business days after
24 receipt of the required information. The policy or plan shall
25 notify the party filing the appeal, the enrollee, the
26 enrollee's primary care physician, and any health care provider

1 who recommended the health care service involved in the appeal
2 orally of its decision followed-up by a written notice of the
3 determination.

4 (d) An appeal under subsection (b) or (c) may be filed by
5 the enrollee, the enrollee's designee or guardian, the
6 enrollee's primary care physician, or the enrollee's health
7 care provider. A policy or plan shall designate a clinical peer
8 to review appeals, because these appeals pertain to medical or
9 clinical matters and such an appeal must be reviewed by an
10 appropriate health care professional. No one reviewing an
11 appeal may have had any involvement in the initial
12 determination that is the subject of the appeal. The written
13 notice of determination required under subsections (b) and (c)
14 shall include (i) clear and detailed reasons for the
15 determination, (ii) the medical or clinical criteria for the
16 determination, which shall be based upon sound clinical
17 evidence and reviewed on a periodic basis, and (iii) in the
18 case of an adverse determination, the procedures for requesting
19 an external independent review under subsection (f).

20 (e) If an appeal filed under subsection (b) or (c) is
21 denied for a reason including, but not limited to, the service,
22 procedure, or treatment is not viewed as medically necessary,
23 denial of specific tests or procedures, denial of referral to
24 specialist physicians or denial of hospitalization requests or
25 length of stay requests, any involved party may request an
26 external independent review under subsection (f) of the adverse

1 determination.

2 (f) The party seeking an external independent review shall
3 so notify the policy or plan. The policy or plan shall seek to
4 resolve all external independent reviews in the most
5 expeditious manner and shall make a determination and provide
6 notice of the determination no more than 24 hours after the
7 receipt of all necessary information when a delay would
8 significantly increase the risk to an enrollee's health or when
9 extended health care services for an enrollee undergoing a
10 course of treatment prescribed by a health care provider are at
11 issue.

12 (1) Within 30 days after the enrollee receives written
13 notice of an adverse determination, if the enrollee decides
14 to initiate an external independent review, the enrollee
15 shall send to the policy or plan a written request for an
16 external independent review, including any information or
17 documentation to support the enrollee's request for the
18 covered service or claim for a covered service.

19 (2) Within 30 days after the policy or plan receives a
20 request for an external independent review from an enrollee
21 or, within 24 hours after the receipt of a request if a
22 delay would significantly increase the risk to the
23 enrollee's health, the policy or plan shall:

24 (a) provide a mechanism for joint selection of an
25 external independent reviewer by the enrollee, the
26 enrollee's physician or other health care provider,

1 and the policy or plan; and

2 (b) forward to the independent reviewer all
3 medical records and supporting documentation
4 pertaining to the case, a summary description of the
5 applicable issues including a statement of the
6 decision made by, the criteria used, and the medical
7 and clinical reasons for that decision.

8 (3) Within 5 days after receipt of all necessary
9 information or within 24 hours when a delay would
10 significantly increase the risk to an enrollee's health,
11 the independent reviewer shall evaluate and analyze the
12 case and render a decision that is based on whether or not
13 the health care service or claim for the health care
14 service is medically appropriate. The decision by the
15 independent reviewer is final. If the external independent
16 reviewer determines the health care service to be medically
17 appropriate, the policy or plan shall pay for the health
18 care service.

19 (4) The policy or plan shall be solely responsible for
20 paying the fees of the external independent reviewer who is
21 selected to perform the review.

22 (5) An external independent reviewer who acts in good
23 faith shall have immunity from any civil or criminal
24 liability or professional discipline as a result of acts or
25 omissions with respect to any external independent review,
26 unless the acts or omissions constitute wilful and wanton

1 misconduct. For purposes of any proceeding, the good faith
2 of the person participating shall be presumed.

3 (6) Future contractual or employment action by the
4 policy or plan regarding the patient's physician or other
5 health care provider shall not be based solely on the
6 physician's or other health care provider's participation
7 in this procedure.

8 (7) For the purposes of this Section, an external
9 independent reviewer shall:

10 (a) be a clinical peer;

11 (b) have no direct financial interest in
12 connection with the case; and

13 (c) have not been informed of the specific identity
14 of the enrollee.

15 (g) Nothing in this Section shall be construed to require a
16 policy or plan to pay for a health care service not covered
17 under the enrollee's certificate of coverage or policy.

18 Section 30. The Health Maintenance Organization Act is
19 amended by changing Section 5-3 as follows:
